

March 11, 2017**Press Release****Sterlite Copper distributed Mobility Aids to the Differently Abled**

Thoothukudi, March 11: Sterlite Copper, a unit of Vedanta Limited in its constant endeavour towards community has today distributed mobility aids to the differently abled in Lucia Society.

Mr Anup Agarwal, Chief Financial Officer, Sterlite Copper and Mr. C Murugeswaran - Head Power, CSR & PR, Sterlite Copper distributed the Mobility Aids to 140 differently abled people in the presence of Rev. Fr. Michel, Director, Lucia Society, Thoothukudi and Dr S Sunder, Chairman, Freedom Trust, Chennai. The devices included wheel chairs, crutches, artificial limbs and other mobility aids.

“Sterlite Copper is always upfront in reaching out to the communities and today we are here to restore the smiles on your faces and lead a dignified and independent life”, said Mr Anup Agarwal. Mr. C. Murugeswaran reminiscence his childhood days, mentioned that there was no philanthropist like Sterlite Copper back when his father had to face hardships of life because of his disability. He while addressing has said that he is pleased to be part of this event, in which, through the gift of mobility, a new life is created to each of those who have been deprived of the basic physical privileges. He also encouraged the differently abled to smile and lead a confident life.

Cut Line: Sterlite Copper officials Mr Anup Agarwal and Mr C. Murugeswaran distributing the mobility aids to the differently abled.

Disclaimer

This press release contains “forward-looking statements” - that is, statements related to future, not past, events. In this context, forward-looking statements often address our expected future business and financial performance, and often contain words such as “expects,” “anticipates,” “intends,” “plans,” “believes,” “seeks,” “should” or “will.” Forward-looking statements by their nature address matters that are, to different degrees, uncertain. For us, uncertainties arise from the behaviour of financial and metals markets including the London Metal Exchange, fluctuations in interest and or exchange rates and metal prices; from future integration of acquired businesses; and from numerous other matters of national, regional and global scale, including those of a political, economic, business, competitive or regulatory nature. These uncertainties may cause our actual future results to be materially different that those expressed in our forward-looking statements. We do not undertake to update our forward-looking statements.
